BOSTON®

GREAT VALUE SOLUTIONS

WASHING MACHINE & DISHWASHER INLET HOSE 2 METRES

- ✓ Made in Europe for superior quality
- ✓ Includes debris filter for a cleaner wash
- ✓ Hand tighten nuts. No tools required
- ✓ Higher operating pressure of 2100kPa/300psi means less risk of a burst
- ✓ Suits hot & cold water up to 90°C, perfect for high temperature cycles
- ✓ Suits most major appliance brands

INSTALLATION INSTRUCTIONS

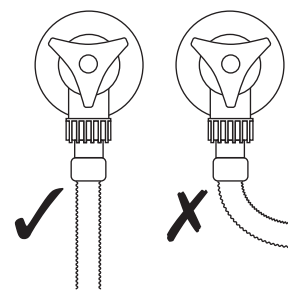

- Turn off water supply & remove old hose.
- Clean all connecting threads.
- Attach new BOSTON® hose to the hot or cold water tap. Attach bent end to appliance. Hand tighten nuts ONLY; do not use tools to tighten nuts.
- Turn water on – check for leaks.
- If the hose is connected to a hot or cold water line where the pressure exceeds 500kPa (72.5psi), then a pressure limiting valve set at 500kPa (72.5psi) should be installed. If used on a dishwasher, a non-return gate valve or a ball valve for the dishwasher isolating valve should also be installed.
- Do not connect this hose to a hot water service unit.

TECHNICAL SPECIFICATIONS

- Operating temperature: Up to 90°C.
- Operating pressure: 2100kPa (300psi).
- 3/4" BSP nut & tail.

IMPORTANT INFORMATION

- Do not overtighten nuts.
- It is recommended that all appliance hoses be replaced every five years.
- To protect your hose, it is recommended that taps are fully turned off after using your washing machine or dishwasher.
- It is recommended that this product be installed by a licensed plumber.
- It is strongly recommended that this product is not joined to create a longer length. If a longer length is required, use a BOSTON® 4 metre inlet hose (Product #220264).
- If used on nylon threads ensure no cross-threading takes place.
- Do not stretch, twist or kink the hose.
- Do not allow the hose to curve near the water entry end, as this may cause a pressure point.

FIVE YEAR WARRANTY

This warranty runs for five (5) years from the date of purchase. Our products come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure & for compensation for any other loss or damage. You are also entitled to have the goods repaired if the goods fail to be of acceptable quality & the failure does not amount to a major failure.

WHAT IS COVERED

The installation instructions & important information form part of this warranty.

This warranty covers any defects in materials or workmanship with the exception of the reasons stated below. The warranty covers the product for normal domestic use only.

WHAT IS NOT COVERED

This warranty does not cover wear & tear to working parts, misuse or abuse. It does not cover discolourations or damage due to exposure to sunlight or cleaning chemicals. Failure to follow the installation instructions or important information may void the warranty.

CLAIM PROCEDURE

If you believe you have a legitimate claim with your BOSTON® hose please contact FIX-A-TAP® Australia via our website at www.fixatap.com.au/warranty to complete the warranty claim form. Alternatively you can contact our office on (02) 9476 7400.

Any written correspondence should be sent to: FIX-A-TAP® Australia, PO Box 200, Wahroonga, NSW 2076. Please keep your receipt for proof of purchase.
