Order no.: 41280

Article number: 41280

EAN: 4010995412807

Customs tariff number: 82032000

**Simplifies your work:** Up to 40% more cutting force thanks to optimised leverage.

**Protects your health:** Reduces strain from continuous work thanks to opening spring.

**Protects your health:** Special DynamicJoint® design reduces effort required for cutting.

**Lowers your costs:** Durable thanks to high-quality, chrome-plated plier surface to prevent corrosion.

**Offers you full protection:** Each tool individually tested at 10,000 V AC and approved for 1,000 V AC.

**Application:** Power-assisted all-round diagonal cutter for cutting soft to extremely hard wires and cables.

**Standards:** Manufactured acc. to IEC 60900.

Cutting many cables and wires to length over a long period requires a great deal of force and causes considerable strain on wrists. Wiha heavy-duty diagonal cutters with a two-component handle provide effortless cutting for tough usage. The plier joint with DynamicJoint® ensures hand force is optimally applied when cutting, providing up to 40% greater cutting force. Its triggered opening spring allows the user to work effortlessly for long periods of time. With their semi-circular head, these powerful pliers also guarantee a clean cut edge. The ergonomically shaped plier handle ensures comfortable, fatigue-proof work. These heavy-duty diagonal cutters are also manufactured as per the international IEC 60900 standard and are thus approved for working on live parts up to 1,000 V AC. These heavy-duty diagonal cutters are the ideal tool for applications in the field of electricians.

DIN ISO 5749.
