

SPECIFICATION SHEET

Red Traffic Wand

PRODUCT CODE	SM-2026
ITEM NUMBER	1091350
PRODUCT SIZE	50 x 500mm
MATERIAL	Plastic

PRODUCT DESCRIPTION

- High-visibility red LED light
- Dual functionality: Flashing or static modes
- Ergonomic grip with wrist strap

The Brutus Traffic Wand is a hand-held safety device designed for effective traffic control on construction sites and in high-traffic areas. Its bright, highly visible light ensures clear signalling, even in low-light conditions, helping to direct traffic and improve safety. The wand is ergonomically designed for easy use and comes with batteries included, making it ready for immediate deployment.
