materials, tools & adventure gear

## THE HEAVYWEIGHT BUNGEE

Meet the ULTRASTRAP: The first heavyweight bungee designed to handle the toughest loads. Boasting an impressive 800kg break strength and 400kg lashing capacity, and 15 times stronger than traditional bungees. It combines the flexibility of an octopus strap with the power of a ratchet tie-down. The ULTRASTRAP, representing our commitment to innovating safer load solutions.

We are passionate about transforming ideas into reality with cutting-edge solutions and innovative designs. Curious to learn more about our services and how we can help you achieve your vision?

**CAUTION**

**WARNING:**

Rebounding hooks cause blindness. Place hooks with care. Keep face and body out of rebound path.  
**DO NOT** overstretch. **DO NOT** use when strap has visible signs of wear or damage.
