# MAGNETIC PATIO CURTAIN

MAGNETIC CLOSURE

INSECT PROTECTION

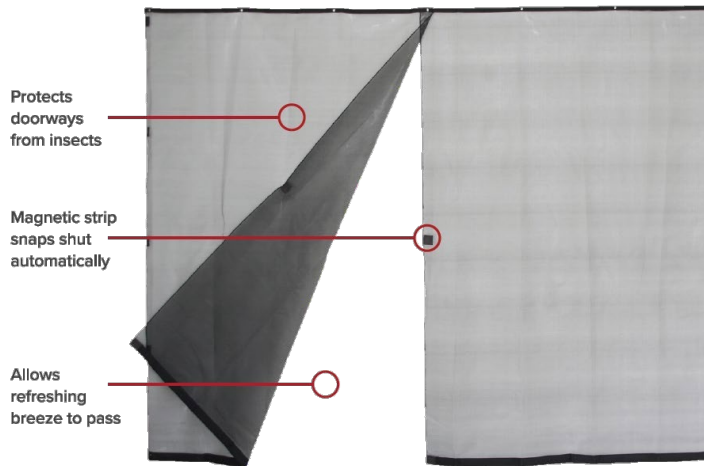

PROVIDES AIRFLOW

## Component List

Plastic Plugs, Screws, Washers, Hook & Loop Tape included

Magnetic closure

Perfect for pets

## Installation Instructions

1 Clean entire frame to remove any dirt or grease from the structure.

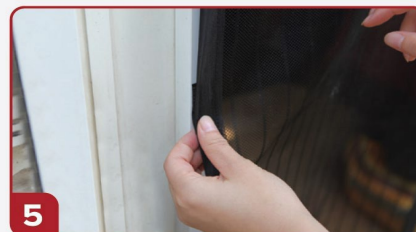

2 Measure and mark eyelet locations. Pre-drill if necessary.

3 Align and hang curtain ensuring the screws are installed straight and level.

4 While curtain is hanging, remove hook & loop tape backing from tabs.

5 Using pressure, fix sides to structure ensuring the curtain remains square and magnets make secure connection.
